

SCHOOL PROPERTIES DISPOSITION

The Board recognizes the value of property to the District. The Superintendent is authorized to determine, through procedures he/she develops, when personal property (supplies, materials, equipment), as distinguished from real property, is obsolete or no longer of use to the District and to declare it surplus.

The Board is to be informed of any property in excess of \$5,000 declared surplus by the Superintendent prior to its disposal. Procedures for disposal of all surplus personal property in excess of \$5,000 shall be in accordance with the following:

- A. Other member municipalities should be informed in writing of property declared surplus and are to have first option to purchase. The charges for municipal purchases shall be determined by the Superintendent or his/her designee.
- B. Surplus property, including books, to be offered for sale shall be disposed of by sealed bid, public auction, or public sale. Public notice of any sale of surplus property shall be given at least one week in advance of an auction, sale or opening of sealed bids.
- C. Library books, textbooks and instructional materials should be disposed of by a means most likely to offer promise of continuing educational benefit, first to citizens of the school unit, then to others.
- D. Any surplus property which is offered for public sale and is not sold may be disposed of in a manner deemed advisable by the superintendent, including donation to non-profit agencies.
- E. Any property determined to be worthless, or for any reason is considered to be inappropriate for sale, shall be disposed of in a manner the Superintendent or his/her designee deems appropriate with recycling as a priority where feasible.
- F. Any District identification that has been applied to the surplus property shall be removed or, if not possible to remove, be further identified to indicate the intended disposition and surplus nature (i.e., "SOLD BY", "SURPLUS"). All revenues which result from the sale of surplus property shall be credited as miscellaneous income except in any instance where law requires that it be credited to a specific account.
