PERSONNEL GOALS/PRIORITY OBJECTIVES

The personnel employed by this school system constitute the most important resource for effectively conducting a quality learning program and providing the necessary guidance and instruction for the District to achieve its mission. A successful education program requires the important contributions of all staff members. The District's program will function best when it employs highly qualified personnel, conducts appropriate staff development activities and establishes policies and working conditions which are conducive to high morale and which enable each staff member to make full contributions to local programs and services.
