

Academic Competitions

The District encourages participation in academic competitions that offer intellectual, scientific, creative or other age appropriate educational stimulation and challenge. The reasonable cost for participating in District sanctioned local and state competitions will be borne by the District. The cost for participating in District sanctioned regional or national competitions will be borne by the participants, unless the Superintendent determines the District will bear the cost.

Adopted: December 16, 1985

Revised: May 7, 2001
