

Flag Displays

In accordance with Maine law, the United States and Maine flags are to be displayed in the public school buildings of this District every school day and on appropriate occasions. Further, the American flag is to be displayed in every classroom in each public school in the District.

The Superintendent is responsible to furnish each school and facility accordingly, and to recommend to the District annually the amount of expenditure necessary to provide sufficient flags and flagstaffs.

It shall be the duty of instructors to impress upon the youth by suitable references and observances the significance of the flag, to teach them the cost, the object and principles of our government, the inestimable sacrifices made by the founders of our nation, the important contribution made by all who have served in the armed services of our country since its inception, and to teach them to love, honor and respect the flag of our country that is so dear to every true American citizen.
