Public Solicitation in the Schools

Outside organizations which are not jointly school-sponsored shall not, without the consent of the building principal, be permitted to conduct fundraising drives in the schools or to advertise events through the school or use students to sell tickets, goods, or services of any kind.

No person, for the commercial purposes, shall advertise promote or attempt to sell any article, investment, insurance, or service to any student or employee of the District during school or office hours or on any school property. This prohibition shall not preclude sales activities related to the purchase of goods or services for school use, school-endorsed solicitations or advertising permitted in accordance with KHB – Advertising in the Schools.

Cross references:	KHB	Advertising in the Schools
	JJE	Student Fundraising Activities

Adopted: May 7, 2001
